

# Alberta Public Works Association

## The Western Canada Pavement Workshop

2010

# Thank you!

- Another great partnership
- Learn as much in the networking breaks.
- A chance for APWA & C-TEP to learn more about each other.
- Cooperate and share resources

# APWA Leadership

- **Executive Committee**
  - **Education & Career Development**
    - Education Programs

    - Chapter Budget
    - Financial Responsibilities
  - **Membership**
    - Member Recruitment
    - Member Services
  - **Alberta Damage Prevention Council**
    - Ground Disturbance Task Force Member
  - **Idea Groups**

What can we do for  
you?

- **2010 Conference & Tradeshow**
  - Largest public works conference in Alberta
  - October 4-6, 2010 | Red Deer
- **2010 Rodeo**
  - September 16 & 17, 2010 | Red Deer
- **Education programs**
  - 2010 Education calendar now available
- **Scholarships**
  - Jack Kraft: \$1000/year
  - NAIT Emergency Management: \$1000 & \$500/year

- **Public Works Supervisor Program**
  - Recognizes both education and experience
  - Used by a number of municipalities to recruit and advance employees
- **Public Works Institute**
  - Leadership and management training focus
  - Level 1 - March 2010 | Red Deer

- **Public Works Week**
  - May 16 – 22, 2010
  - Chance to showcase many of the things people take for granted.
  - Bring pavement and Road projects into positive public focus.
- **Ideas Group meetings**
  - Four areas of the province
  - Held quarterly in each area
  - Brings networking and information sharing to a local level.

- APWA Won 1<sup>st</sup> Place for Member gainers in associations 300+
  - That means more industry professionals to network with
  - Larger resource base to address issues on a community or geographical basis
  - More input in to conference & education programs
  - More need for Canadian & Provincial content
